## 2025-2026 MAGNET ENROLLMENT AGREEMENT

(PLEASE COMPLETE ONE FORM PER STUDENT)

FORM A

### Design and Architecture Senior High School

Students gain admission to Design and Architecture Senior High based on demonstration of potential in the arts during the audition and completion of grade-level requirements at their previous school. To maintain continued enrollment with DASH, students must:

#### Magnet Curriculum

- Enroll and remain enrolled **full-time on-campus** and earn 8 credits per school year to fulfill the DASH 32-credit diploma.
- Complete four academic years of fine art courses (one fine art course per school year), and three academic years of design courses (one design course in grade 10, two or more design courses in grade 11, and two design courses in grade 12).
- Complete Advanced Placement studio art courses and submit AP portfolios for college credit through Advanced Placement exams in grades 11 and 12 to receive a DASH diploma.

#### Academic Performance

- Maintain adequate annual academic progress and good quality work habits.
- Maintain a **2.0 minimum grade point average** (arts and academic courses combined) each quarter, each academic year.
- Maintain a 2 minimum effort grade for Magnet and core courses.

#### Behavior and Conduct

- Maintain appropriate behavior in accordance with the MDCPS Code of Student Conduct.
- Avoid multiple referrals and/or assignments to Student Success Centers.
- Note that students who violate Level III, IV or V of the Code of Student Conduct or who have been assigned to an alternative setting are no longer eligible to return to the Magnet program.

#### School Attendance

- Maintain satisfactory daily attendance per School Board policy, which limits no more than ten (10) unexcused absences in an annual course and no more than five (5) unexcused absences in a semester course.
- Avoid excessive instances of unexcused tardiness, early departures before dismissal, or skipping class.
- Note that students may not re-enroll to attend DASH if withdrawn due to failure to meet these guidelines.

Any student who fails to meet any one of these criteria is placed on probation the following quarter. **However, students who violate the Code of Student Conduct risk immediate probation or return to the home school depending on the severity of the offense.** Midway through each semester, students and parents are notified if the student's performance is not satisfactory. This happens via regular nine-week report cards. Upon request, the appropriate guidance counselor will meet with the student, assist them in defining the problem, and help the student to determine a proper course of action to correct it. The purpose of this preliminary measure is to provide immediate assistance to the student as needed and to make them aware of their responsibility.

Probation includes: (1) notification to student through a conference, (2) notification to parents by phone or in writing with a request to meet with school staff, and (3) a signed commitment from the student to meet all magnet enrollment guidelines going forward. Single instances of probation will limit the student's ability to participate in clubs, field trips, and extracurricular activities. **Multiple instances of probation will result in exit from DASH at the end of the school year and return to the home school.**

***I have read the DASH Magnet Enrollment Agreement and understand these requirements for continued enrollment.***

\*Schools may have additional district-approved program-specific requirements besides those listed in this agreement. It is the parent's and student's responsibility to be informed of any school site specific requirements not outlined above.

Dear Student,

Congratulations on your DASH admission! Once you accept DASH for the 2025-26 school year, a schedule will be created for you based on your current school courses. Please select a world language elective (or Creative Photography if eligible) below and return this form by Friday, April 5, 2025.

At DASH, students are required to complete two consecutive annual courses of the same world language. In some cases, students complete world language courses in middle school. **Some world language courses taken in middle school qualify for high school credit and some do not.**

**If you know for certain** that you have completed two consecutive high school level world language courses, you may select an advanced level language course or, if you do not wish to take an additional language course, you may select Creative Photography below. If you select Photography, please indicate which two high school level world language courses you have taken. Please note that AP language course selections are subject to teacher approval and may require a placement exam at the start of the 2025-26 school year.

**If you are uncertain regarding which course to select**, ask the school counselor at your middle school for assistance completing this form.

Thank you for your cooperation. Should you and/or your parent/guardian have any questions or concerns, please email your respective counselor at the contact below.

Best Regards,
