Superintendent of Schools

May 5, 2025

Dear Parents:

Students enrolled in English classes at Design and Architecture Senior High are required to complete summer reading assignments. During the first two or three weeks of school, projects, discussions, writing assignments, and tests will be based on the summer readings. These books may be purchased or ordered from any bookstore or online vendor. Books may also be checked out from the public library. Please be aware that the summer reading list is not all-inclusive and that students are required to read other selections from various genres throughout the school year. Assignment information can be located at dashschool.org under the Academics tab. Thank you for your cooperation and for making our summer reading program a success.

Sincerely,

Marlene Zamora, MS Ed
English Department Chairperson
