

Program Selection Preliminary Assignment for Architecture

Research and select four (4) different architects.

Find images from each architect that represents the architect's style.

Use 8 1/2" x 11" sheet of paper.

Imagine the sheet divided into roughly four (4) - equal rectangles.

In each rectangle represent one (1) architect's design style.

Use your creativity and best sketching ability to represent the architect's style.

Develop many sketches.

Use the entire sheet.

Use words.
